

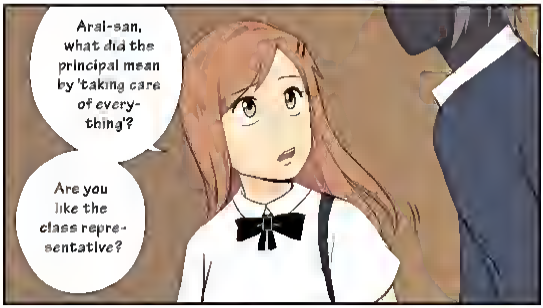
Follow me

Swoosh

Make sure you take care of everything...
Arai-kun
Oh and don't forget your bag-
tighten
He hasn't said a word since then...



Arai-san, what did the principal mean by 'taking care of everything'?
Are you like the class representative?

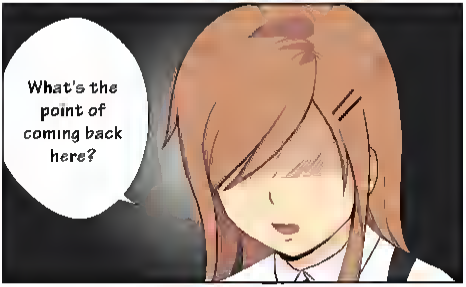
I kinda do what the real class-rep orders me to do..
Which is basically everything..
Scratch

I'm actually just the vice-rep-

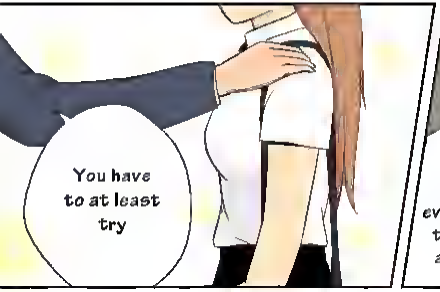
That doesn't really seem fair..
Yeah, tell me about it

547
Here it is, classroom 547
slow
It's just ...
Nakahara-san?

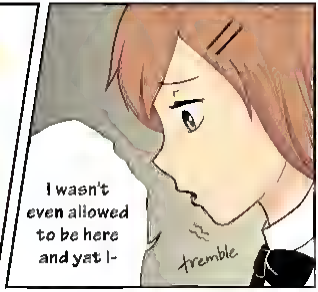
I must already be hated by everyone...



What's the point of coming back here?



You have to at least try

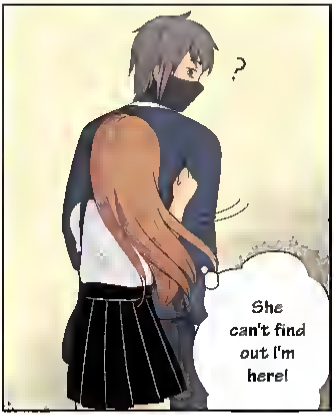


I wasn't even allowed to be here and yet I-
tremble

And I admit, these people might seem scary at times...
Whatever you might think or believe, you didn't deserve to be treated the way you were today

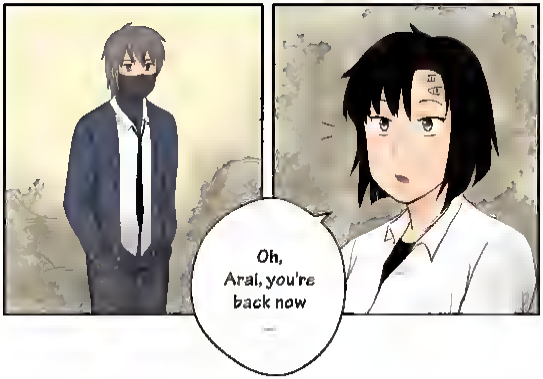
But believe me when I say they aren't all that bad
...
KABOOM!

A mummy ??
thump
YOU GODDAMN PERVERT!!!
It's her!

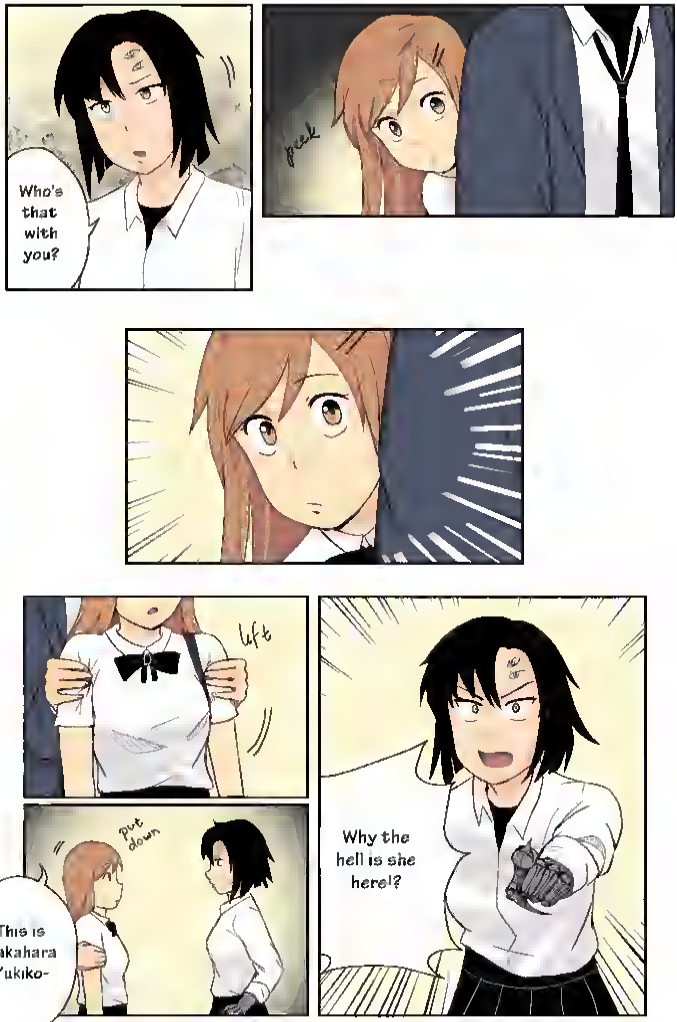


?
She can't find out I'm here!

That outta teach you



Oh, Arai, you're back now



Who's that with you?
peek
lift
put down
This is Nakahara Yukiko-
Why the hell is she here!?

Your new best friend
EEEE-EEEHH?!?
